What a fantastic time we have had in our last couple of weeks. Our children absolutely loved their trip to the pantomime and the feedback from parents has been fantastic. Many of you have asked if we can make it an annual trip and we will certainly try to.

We had the best time, I absolutely love the opportunities given to us by you all whether it's for our children or some quality time we can spend with the children as a family either by a blended school families or sharing with other families we spend a lot of time with on the school stomp - so thank you for this!
This is the first panto experience I've been to with the kids through fear of not fitting in if my boys are having a bad day but felt so relaxed going with the school as I know there is no judgment and that there are many children alike in attendance so felt so relaxed and fully embraced the panto experience.
Thank you for all of your hard work, time and patience we had a blast... oh yes we did!

I just wanted to say a HUGE THANK YOU to Mrs Nowell and the WHOLE team for the Pantomime trip today. It was a joy to come and be able to watch it with the whole school! The pantomime was excellent and watching the children have the most wonderful time was magical.
