Go to the park with a grown-up and look out for signs of spring.

Take photographs or make a list of what you spot.

Use plant seeds to grow some flowers or plants.

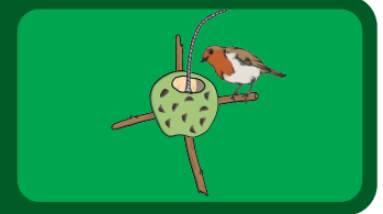

Write a weekly diary or draw weekly pictures to document the changes each week.

Make bird feeder and draw pictures to record some of the birds that use it. You could even use these instructions to create a feeder.

Apple Bird Feeder

You will need:

- apple
- corer
- 2 sticks
- sunflower seeds
- string or thread

1. Ask an adult to cut out the core of the apple.
2. Make an 'X' shape with the 2 sticks and tie them together with string.
3. Thread your string through the core of the apple and tie the end to the middle point of your 2 sticks. This creates a perch for the birds to stand on.
4. Firmly press the seeds into the body of the apple.
5. Hang your apple bird feeder to a tree and watch your feathered friends come to feast!
