Autumn 2

Year 3 Topic Web

Maths:

This half term, after completing our unit on Addition and Subtraction, we will be moving on to Multiplication and Division. We will look at ways to group and share objects as well as using a number line to complete multiplication and division questions. We will look in class at ways of multiplying and dividing by 2, 5, 4 and 8.

We will then consolidate our learning and revisit all of our previous learning from our time in Year 3 so far,

History: From Stone Age to Iron Age

This half-term we are continuing to focus on the Stone Age to the Iron Age. Children will begin to build an understanding of what pre-history means, raising questions and challenging assumptions. Year 3 will learn to put events in chronological order from the Stone Age to the Iron Age. We will look at how cave art

Physical Education:

Indoor P.E. for this half-term is Swimming on a Wednesday. We will be walking over to Yateley Manor for these sessions and will be building water confidence and developing basic swimming skills.

Outdoor P.E. continues to be led by the Chelsea

Science: Rocks

In Science this term we will be looking at rocks. We will be learning vocabulary such as sedimentary, igneous or metamorphic. We will explore what different rocks are used for as well

R.E.:

Our RE this half-term focuses on the idea of Angels as we approach Christmas. We will discuss the idea of Angels, their response as well as considering the views of others. We will learn

French:

We will be learning about French toys and games with Madame Raby, expanding our

Computing:

In computing this half of term, we will be looking at online safety, route planners

English: The Barnabus Project and The Tear Thief

The Barnabus Project follows Barnabus, a half-mouse, half-elephant "Failed Project" who escapes a secret underground lab with other imperfect creatures to find freedom and a place where they can belong. Over the course of this unit, we will be inventing our own 'projects' and trying to persuade others to join us through the writing of a brochure.

The Tear Thief is a poetic and enchanting story about a mysterious creature who collects the tears of children, exploring themes of sadness, empathy, and emotional expression. We will create a shared poem, explore

Design and Technology

In DT this term, we will be learning all about weaving. We will be collecting natural materials from around the grounds and will learn how to weave them together to

Music

We will be following Sing-ups 'Mingulay Boat Song' and 'Sound Symmetry'. We will be exploring traditional folk

Art

In Art we will be completing a project about Ammonites. We will look at different ways to sketch and shade our
