

First Aid Policy

Introduction

Policy Statement

Cranford Park CE Primary School will undertake to ensure compliance with the relevant legislation with regard to the provision of first aid for all employees and to ensure best practice by extending the arrangements as far as is reasonably practicable to children and others who may also be affected by our activities.

Responsibility for first aid provision at the school is held by the Headteacher who is the responsible manager. All first aid provision is arranged and managed in accordance with the Children's Services Safety Guidance Procedure SGP 08-07(First Aid).

All staff have a statutory obligation to follow and co-operate with the requirements of this policy.

Aims & Objectives

Our first aid policy requirements will be achieved by:

- Carrying out a First Aid Needs Assessment to determine the first aid provision requirements for our premises
 - It is our policy to ensure that the First Aid Needs Assessment will be reviewed periodically or following any significant changes that may affect first aid provision
 - The Children's Services First Aid Needs Assessment Form (CSAF-002) will be used to produce the First Aid Needs Assessment for our site
- Ensuring that there are a sufficient number of trained first aiders on duty and available for the numbers and risks on the premises in accordance with the First Aid Needs Assessment
- Ensuring that there are suitable and sufficient facilities and equipment available to administer first aid in accordance with the First Aid Needs Assessment
- Ensuring the above provisions are clear and shared with all who may require them

First Aid Training

The responsible manager will ensure that appropriate numbers of appointed persons, school first aid trained staff, emergency first aiders, qualified first aiders and paediatric first aid trained staff are nominated, as identified by completion of the First Aid Needs Assessment, and that they are adequately trained to meet their statutory duties.

Appointed Persons

At Cranford Park Primary School there is 1 appointed person who is as follows:

- Christina Skates

Where the first aid needs assessment identifies that qualified first aid staff are not necessary due to the nature/level of risk, the **minimum legal requirement** is to appoint a person (the Appointed Person) to be on site at all times during the working day. Appointed persons are in

place to take charge of first aid arrangements including looking after equipment and calling emergency services.

Note: Appointed Persons are not First Aiders and should not provide first aid for which they have not been trained. However it is good practice to provide appointed persons with some level of first aid training. Such training does not require HSE approval.

School First Aid Trained Staff

At Cranford Park Primary School there are 7 school first aid trained staff who are as follows:

- Christina Skates
- Fiona Humphrey
- Nicola Hickey
- Karen Gill
- Louise Reeves
- Jo Ledlie
- Denise Bowman

This optional, bespoke training for school staff is available to assist the school in meeting its own duty of care towards its pupils. It is not a substitute for HSE-approved first aid training which qualifies staff to provide first aid to other staff. This training should be provided only where:

- Additional training is considered to be required for appointed persons in order to enhance their role to provide first aid to children; **and/or**
- Other staff, in addition to Emergency/Qualified First Aiders, are also considered to require some level of training in order to provide first aid to children

Emergency First Aiders *(Those completing the HSE approved 1-day emergency first aid course)*

At Cranford Park Primary School there are 2 emergency first aiders who are as follows:

- Denise Bowman
- Christina Skates

They will be responsible for administering first aid, in accordance with their training, to those that become injured or fall ill whilst at work or on the premises. They may also have other duties and responsibilities which are identified and delegated as appropriate (eg. first aid kit inspections).

Qualified First Aiders *(Those completing the HSE approved 3-day first aid course)*

At Cranford Park Primary School there is 1 appointed persons who is as follows:

- Christina Skates

They will be responsible for administering first aid, in accordance with their training, to those that become injured or fall ill whilst at work or on the premises. There may also be other duties and responsibilities which are identified and delegated to the first aider (eg. first aid kit inspections).

Paediatric First Aid Trained Staff

At Cranford Park Primary School there are 3 paediatric first aid trained staff who are as follows:

- Liz Brown
- Terri Wheeler

These staff are in place to meet the Early Years Foundation Stage (EYFS) statutory obligations for provision of first aid to those children aged 5 years old or younger.

First Aid Provision

Our First Aid Needs Assessment has identified the following first aid kit requirements:

- 7 first aid kits on the premises
 - These first aid kits will be situated in medical room, Year R, Food Technology Room, Staff room a portable kit for the playground and two kits to be taken on Education Visits.

It is the responsibility of the appointed persons to check the contents of all first aid kits every half term and record findings on the Children's Services First Aid Kit Checklist (CSAF-003). Completed checklists are to be stored in the First Aid Kit Checklist Folder at the medical room.

The contents of first aid kits are listed under the '*required quantity*' column on the checklist itself.

The School Office is designated as the first aid room for treatment, sickness and the administering of first aid. The first aid room will have the following facilities:

- running water, first aid kit, chair, relevant waste disposal facilities.

Emergency Arrangements

Upon being summoned in the event of an accident, the first aider/appointed person is to take charge of the first aid administration/emergency treatment commensurate with their training. Following their assessment of the injured person, they are to administer appropriate first aid and make a balanced judgement as to whether there is a requirement to call an ambulance and / or the child's parent.

The first aider/appointed person might, depending on the circumstances, call an ambulance on the following occasions:

- In the event of a serious injury
- In the event of any significant head injury that may involve concussion
- In the event of a period of unconsciousness
- Whenever a fracture or break to a bone is suspected
- Whenever the first aider is unsure of the severity of the injuries
- Whenever the first aider is unsure of the correct treatment

In the event of an accident involving a child, where appropriate, it is our policy to always notify parents of their child's accident if it:

- is considered to be a serious (or more than minor) injury
- requires first aid treatment
- requires attendance at hospital

Our procedure for notifying parents will be to use all telephone numbers available to contact them and leave a message should the parents not be contactable.

In the event that parents can not be contacted and a message has been left, our policy will be to continue to attempt to make contact with the parents every hour. In the interim, we will ensure that the qualified first aider, appointed person or another member of staff remains with the child until the parents can be contacted and arrive (as required).

In the event that the child requires hospital treatment and the parents can not be contacted prior to attendance, the qualified first aider/appointed person/another member of staff will accompany

the child to hospital and remain with them until the parents can be contacted and arrive at the hospital.

Records

All accidents requiring first aid treatment are to be recorded with (at least) the following information:

- Name of injured person
- Name of the qualified/emergency/school/paediatric first aider or appointed person
- Date of the accident
- Type of accident (eg. bump on head etc)
- Treatment provided and action taken

The Governing Body believes that fairness and consistency of judgement is essential to the operation of the school. All members of the school have equality of opportunity to achieve their full potential and will not be discriminated against because of age, disability, gender, sexual orientation, nationality, race, or religion. The Governing Body believes that the school always has to be aware of the potential for unconscious discrimination, to avoid assumptions about individual members of the school based on stereotypes and to use the teaching and learning arrangements actively to encourage everyone to achieve their full potential. All our policies are consistent with our duty of care to protect our pupils and to provide a learning environment that is safe and healthy. In all our dealings, we respect the strict code of confidentiality that underpins our school ethos.
