**Sustainability**

- Year 5 have increased their swimming skills and water confidence enormously over the year and weak swimmers have become much more able.
- Teachers have benefitted from observing Toby (PE coach) and learnt from his skills.
- Year 3 and 4 experienced a hockey tournament with an Olympic athlete and got to learn skills that they could use in our hockey lessons at school.
- The fitness centres for KS1 and KS2 will be available for all children in the school for years to come.
- Children from both key stages are improving their OT skills which will help them as they move through the school.
